

Omarin[®]

Unsaturated omega-3 fatty acids of the highest quality and purity + vitamins D and E.

USE: 2 softgels/day

PACKAGING: 60 blistered softgels/box

PRODUCT DESCRIPTION

Omarin is a dietary supplement that consists of softgels with a fish oil of the highest quality and purity for a substantial intake of docosahexaenoic acid (DHA) and eicosapentaenoic acid (EPA) omega-3 fatty acids to which additional vitamins D and E have been added.

- ✓ When you take at least 250 mg a day, DHA will contribute towards the maintenance of normal **brain function and vision**;
- ✓ When at least 250 mg a day is taken, DHA and EPA contribute towards the normal **activity of the heart**;
- ✓ If you take a daily dose of 2 softgels of Omarin, you will be taking an **optimal quantity of 440 mg of DHA and 660 mg of EPA**;
- ✓ Vitamin E helps **cells protect against oxidative stress and prevents the oxidation of the omega fatty acid** and therefore their quality can be guaranteed.

FORMULA (per daily dose of 2 softgels)
